

Hands-On Maintenance and Light Repair Student Support Documentation

How do I view my grades?

Select *Reports* from the top of the page.

If you are only in one class, your *Student Report* will display right away. If you are in multiple classes, select your *Class* from the drop-down.

Activity	Score	Date
Lesson 1		
Lesson 1 Pretest	20%	Wed 27 Sep

Activity names are listed in the *Activity* column. Your score for each activity is displayed in the *Score* column. The date you completed the activity is listed in the *Date* column. Activities are sorted based on when they were assigned and/or completion.
